## Deposit Fee Receipt

I appreciate your trust in my breeding program and commitment to welcoming a Bulldog into your family. Your non-refundable deposit fee of £500.00 has been received.

Your request for the following has been duly noted:

**A Male / Female Puppy from the planned breeding of:**

**Sire -**

**Dam -**

While we strive to match every prospective owner with their desired puppy, the breeding process can sometimes introduce unforeseen variables (*e.g. unsuccessful mating, lack of puppies of the desired sex, puppy loss etc*). If we do not have a puppy available that meets your specific requirements, I have implemented a deposit carryover policy to ensure fairness and satisfaction for all parties involved.

Should the circumstance arise where we are unable to provide you with a puppy that aligns with your desired preferences, your deposit will automatically carry over to the next available breeding of equal quality and merit. I prioritise transparency and open communication and will keep you informed throughout the process.

Please rest assured that I am dedicated to fulfilling your expectations and finding a Bulldog puppy that meets your criteria. I value your patience and understanding as I work diligently to bring healthy and well-suited puppies into the world.

Thank you again for choosing our breeding program and for your understanding regarding our deposit policy; and wish to ensure your experience with our breeding program is positive and fulfilling.

The outstanding balance of **£TBC** by online banking transfer or cash totals a purchase price of **£TBC**.

It's agreed the puppy will be collected in person at 8 weeks of age **(date)**. A Sales contract agreement will be completed on purchasing the above puppy *(copy provided in advance)*.
