- **Section 3: Health & Welfare**

The Breeder has taken every care with breeding, rearing and the welfare of the Dog. The Dog is believed to be in good health and it is sold in good faith. The Breeder makes no warranty however as to the health or disposition of the Dog.

Every effort has been made to avoid any possible inherited conditions. Conditions known/thought to be inherited in the breed are Hyperuricosuria (Urate - HUU). Relevant, existing screening schemes have been used and copies of relevant results have been provided.

The puppy has been inspected by a practising veterinary surgeon prior to sale and the details of the veterinary surgeon and the outcome of the inspection have been passed to the purchaser.

- **Section 4: Purchaser's right to return the dog in the case of a defect**

The Purchaser(s) shall have 7 days to have the Dog examined by a practising veterinary surgeon and shall have the right during a period not exceeding 7 days after such examination to return the Dog because of a defect on production of a written report from the said veterinary surgeon, at which time the Purchaser(s) will be refunded the full purchase price.

Should it become necessary, the Purchaser(s) should be aware that the return of a Dog can be very difficult, especially emotionally and, having drawn the attention of the Purchaser(s) to this, the Breeder cannot be held responsible for any distress caused by the return of the Dog.

- **Section 5: Potential of Dog**

Although any description of the Dog as being of show or trial quality is given in good faith, it is a condition of this sale that no warranty can be given as to the ultimate show or breeding potential on maturity of the Dog.

- **Section 6: Endorsements**

Under Kennel Club regulations, there are two endorsements that may be placed on a dog's record, by the registered owner of a dog, whilst the dog in question is still in their possession. A breeder, therefore, is entitled to place two endorsements on a puppy's record with the Kennel Club: One restricts registration of any of its future offspring (progeny) and the other prevents the issue of an export pedigree.

This Dog is subject to the following Kennel Club endorsements:

- Progeny not eligible for registration
- Not eligible for issue of export pedigree

Purchaser signature required to confirm understanding of endorsements

Endorsements can only be lifted by the person who placed them, and that person would need to send a written & signed instruction to this effect to the Kennel Club. Conditions that must be adhered to for endorsements to be lifted are:

- Hyperuricosuria (Urate - HUU) tested unless hereditary clear
- Awarded the Bronze Bulldog Breed Council Health Certificate
- Bred to a mate of equal or great merit

- **Section 7: Rehoming of the Dog**

The Purchaser(s) agree that if, at any stage in the Dog's life, the Purchaser(s) need to rehome the Dog, the Breeder will be the first to be informed and the Purchaser(s) will, if the Breeder requests, return the Dog to the Breeder. The Breeder will offer every reasonable assistance to find a new home. The Breeder will not issue refunds, depending on the age and condition of the dog if resold, any monies due will be minus any associated costs.
